CONSTRUCTION PROJECTS

For the 2006/07 fiscal year, construction auditing was performed for the California State University under a contract with KPMG. Six major construction projects were reviewed with coordination from the Office of the University Auditor. Areas under review included construction bid process, contractor compliance – subcontracting practices, construction change orders, design costs, project management inspection services, accounting, liquidated damages, and major equipment/materials review.

The projects under review included the following:

California State University, East Bay – *Pioneer Heights Phase II Student Housing*

California State University, East Bay – *Valley Business and Technology Center*

San Diego State University – *Social Sciences/Parking Structure 8*

California State University, San Bernardino – *Science Building Annex Phase I*

San Francisco State University – *Hensill Hall Renovation Project*

Sonoma State University – *Darwin Hall Renovation Project*

The results of these reviews follow.
