INTRODUCTION

PURPOSE

Our overall audit objective was to ascertain the effectiveness of existing policies and procedures related to the administration of the disability support and accommodations (DSA) program and to determine the adequacy of controls over the related processes to ensure compliance with relevant governmental regulations, Trustee policy, Office of the Chancellor directives, and campus procedures.

Within the overall audit, specific goals included making a determination as to whether:

- ▶ Administration and management of the DSA program provide effective internal control; clear lines of organizational authority; delegations of authority; formation of an Advisory Committee on Services to Students with Disabilities; and documented policies and procedures.
- ▶ The adequacy of and satisfaction with the DSA program are consistently monitored and assessed.
- ▶ Campus notification and grievance processes ensure appropriate compliance with regulatory requirements and timely and adequate resolution of noted disability-related issues.
- ▶ Persons and campus areas providing disabled student services possess the necessary qualifications and are appropriately trained and aware of their roles and responsibilities.
- ▶ Reasonable access and accommodations are provided to applicants and employees in compliance with Title I of the Americans with Disabilities Act (ADA), and student disability services comply with state law and California State University (CSU) and campus policies.
- ▶ Verification of disability is timely and adequately performed, and appropriate documentation is provided in compliance with CSU and campus policies.
- ▶ Disability records and information are properly maintained, safeguarded, and retained in accordance with state and federal regulations and CSU policy.
- ▶ Campus programs, services, and activities are readily accessible to all persons, and adaptive aids and other equipment are properly maintained and safeguarded.
- ▶ Campus disaster plans include evacuation procedures for disabled persons.
- ▶ Budgeting procedures adequately address program funding and ensure effective accounting and management control, and grant funds are administered in compliance with sponsor agreements.
- ▶ Chargebacks for disability support services are complete, accurate, valued properly, and processed timely, and credit is received.
