

System Budget Office Organizational Chart

Phone: (562) 951-4560 Fax: (562) 951-4970

The CSU System Budget Office is an interactive staff working environment organized to respond to questions, research, document and analyze data and information requests, and communicate the budgetary policies and procedures of the CSU to staff, student and external constituencies. Any member of the Budget Office staff may be contacted for budget-related information; however, please reference individual areas of staff focus by clicking on any staff members name to help direct specific information requests for the fastest possible response.
