¹ Campus 2011/12 CalPERS employer-paid retirement rate adjustments reflect the difference between the 2010/11 composite (July 2010 & Jan. 2011) rates funded by the state during 2010/11 and the new 2011/12 rates; the additional SWP adjustment reconciles the applicable CSU 2011/12 GF appropriation that was based upon the difference between the higher July 2010 rates applied to the full year and the new 2011/12 rates.

² Includes lease revenue bond adjustments (-\$50,000 in 2011/12; \$5,545,000 in 2012/13); annuitants' dental adjustment (\$1,096,000), and campus reduction offsets and public safety supplement (-\$3,229,505).

³ The total CSU 2012/13 assessment (\$2,217,000) represents a \$1.309M adjustment to the 2011/12 \$3.526M level. The campus base budget adjustments will replace the previous CPO quarterly assessments in 2012/13.

¹ The \$250M trigger reduction has been allocated on the same gross budget General Fund and tuition fee revenue projection less tuition fee discounts as in the Governor's Budget allocations \$200M reduction with an additional adjustment to campus percentage share of the reduction to reflect \$20M fixed cost gross budget discount at each of 23 campuses and a reallocation of approximately \$2M of reductions from the C.O. to the CSU's smallest campuses.

¹ Mandatory cost increases provided for information only in 2012/13 Enacted State Budget allocations.

² Based on 2012/13 new space need only @ \$10.02 per square foot.

¹ For purposes of 2012/13 budget allocations, there is no change in number of resident full-time equivalent students from 2011/12 budget targets. The nonresident FTES is equal to the 2010/11 actual FTES.

² This represents the change in actual student enrollment patterns from 2009/10 to 2010/11 (past-year actual).
