Ms. Diane Boyer-Vine
Legislative Counsel
Office of Legislative Counsel
State Capitol, Suite 3021
Sacramento, California 95814-4996

Dear Ms. Boyer-Vine:

As required by Education Code 89720, enclosed is the 2014-2015 Annual Report of Philanthropic Support for the California State University.

This funding helps us make college more affordable by providing students with additional financial aid and enables the university to improve teaching and learning in an environment of continuous change. It does not substitute for core support from the State of California, but it represents a critical investment in the future as we prepare the engineers, artists, health care workers, teachers, entrepreneurs, and scientists of tomorrow. It also sends a key message across California that the CSU is important, worthy of ongoing support, and a vital economic engine for our state.

The California State University Board of Trustees approved the report for submission at its meeting of January 27, 2016. Please contact Lori A. Redfearn at (562) 951-4810 with questions you may have.

Sincerely,

Timothy P. White
