CSU The California State University
WORKING FOR CALIFORNIA

What have you done to save the world?

Come share your most successful sustainable campus project with 23 CSU universities

How: Submit a poster proposal online
Deadline is Friday, September 26

Who: Students who have recently completed a project that influenced campus sustainability

When: October 21 - 24, 2008

Where: 2008 CSU Facilities Management Conference
Millennium Biltmore | Los Angeles

Why: Excellent Career Development Opportunities

- Showcase your project before 23 CSU campuses in attendance
- Attend a Career Development Workshop on Wednesday, October 22 and meet one-on-one with CSU Business Partners in fields such as architecture, engineering, construction and energy management

Students may be eligible for Extra Credit for selected classes. Please speak to your professors.

Create Tomorrow Together

2008 CSU FACILITIES MANAGEMENT CONFERENCE
