LABORATORY ENROLLMENT FTES
vs.
LABORATORY CAPACITY FTES

Introduction

This report provides a comparison between enrollment FTES and capacity FTES of teaching laboratories by discipline. The data used for this comparison are derived from the Academic Planning Database (APDB) for 2009-2010 and the Space and Facilities Database (SFDB) for fall 2010. The total FTES for teaching laboratories at target 2018/19 are from the Summary of Campus Capacity (CPDC 1-2).
