
CPDC A/E Technical Bulletin

09-016

Date: July 9, 2009

From: Thomas Kennedy, Chief of Architecture and Engineering

Subject: **Small Project Access Compliance Review**

Distribution: UFO, CDBO, Systemwide Plan Check Firms

Item No.	Information
1	Issue: Lengthy time period needed to complete DSA review for small projects.
2	Response: DSA has now designated a contact person at each DSA regional office to coordinate CSU small project access compliance reviews. Please contact the following for coordination of CSU access projects and questions. Oakland: Dan Chu, (510) 622-3126 Sacramento: Saher Vassa (916) 323-2643 Los Angeles: Ferris Karim: (213) 897-0902 San Diego: Doug Humphrey (858) 674-5411 They will work with campus facilities designees to be sure that CSU small projects are given proper attention. Where it is appropriate they will schedule over-the-counter appointments and will expedite projects as needed.
3	Where to Find: http://www.calstate.edu/cpdc/ae/bulletins/
4	Website: Additional information on CSU access compliance: http://www.calstate.edu/CPDC/ae/review/access_compliance_review.shtml
5	Applicability: All CSU small project access compliance reviews
6	Notes: DSA is the only party that can certify access compliance for CSU projects. Our systemwide plan check firms can only provide <i>advisory</i> access compliance reviews Comments or additional questions? Contact CPDC A/E.
