A. 1. JOC Projects:
   a. The Notice to Proceed for a JOC project must be effective prior to the JOC MEA contract expiration date, and work must commence prior to the JOC MEA contract expiration date.
   b. Supplemental job orders for projects started per the above may be written after that JOC MEA contract expiration date, only as required to complete the original scope of work.

2. Electronic Certified Payroll (eCPR) Reporting on Public Works Projects:
   a. The following is a quote from the letter sent to interested parties regarding this subject:

   "Effective immediately, enforcement of the eCPR requirement is hereby temporarily stayed pending outreach, education and upgrades to the eCPR system that will allow contractors and subcontractors to more easily submit CPRs into DIR’s system. DIR is currently exploring an alternative reporting format that will facilitate compliance with the eCPR requirements for contractors and subcontractors that are having difficulty. DIR anticipates that the upgrades should be completed by June 2016."

   Please see the attached for the full context of the letter.

B. Website: The DIR letter regarding eCPR can also be found at:

IMPORTANT NOTICE

RE: Electronic Certified Payroll (eCPR) Reporting On Public Works Projects

Dear Interested Parties:

This notice is in response to the numerous inquiries DIR has received regarding the difficulty that many contractors and subcontractors are having with the eCPR requirements effective January 1, 2016. See Labor Code § 1771.4(a)(3).

Effective immediately, enforcement of the eCPR requirement is hereby temporarily stayed pending outreach, education and upgrades to the eCPR system that will allow contractors and subcontractors to more easily submit CPRs into DIR’s system. DIR is currently exploring an alternative reporting format that will facilitate compliance with the eCPR requirements for contractors and subcontractors that are having difficulty. DIR anticipates that the upgrades should be completed by June 2016.

This notice only applies to the obligation to submit CPRs into DIR’s eCPR system. Awarding bodies must still ensure that contractors and subcontractors are registered under DIR’s contractor registration system and in compliance with all other prevailing wage laws including, but not limited to, Labor Code section 1776 (Reporting of Certified Payroll Records).

This notice also does not affect the ability or obligation of labor compliance personnel, or rights of other interested parties, to request and obtain certified payroll records (hard copies in the absence of electronic records).
