

Evaluating Community Scholarship

Instructions:

- 1) Read pages 21-30 of the Michigan State University [Points of Distinction: A Guidebook for Planning & Evaluating Quality Outreach](#) document.. The “MSU Matrix” is not for everyone, but it does provide an elaborate rubric for assessing the quality of community scholarship.

 - 2) Select one faculty member from your group to describe work that they have conducted in the community. Discuss their work in terms of departmental RTP criteria and the MSU Matrix.

 - 3) Repeat with additional faculty as time permits.
