Executive Vice Chancellor

Subject: Nonresident Tuition - Designation of Residence
Determination Dates for 1973-74 - Executive
Order No. 178

Attached please find five copies of Executive Order No. 178, establishing residence determination dates for tuition purposes for 1973-74. This Executive Order replaces Executive Order No. 159 dated September 29, 1972 as necessitated by adoption of the uniform residence determination law and related amendments to Title 5.

The nature of the change required by law is such that the dates are, in general, earlier. This means that determinations which have been made already will need to be reviewed insofar as the shift in dates could affect students' status.

The new law requires also that residence determination dates be published in campus catalogs. Since printing of catalogs has occurred already this will not be possible for 1973-74. Therefore, the dates should be published in class schedules, appropriately posted and included in any other publications where their inclusion would honor the spirit of the law. It is our intent that for future years these dates will be set sufficiently early to be included in mandatory catalog copy.
