Subject: Nonresident Tuition - Designation of Residence
Determination Dates, Fall 1975 and Thereafter
Executive Order No. 215

Attached please find five copies of Executive Order No. 215 establishing residence dates for tuition purposes for terms beginning fall 1975 and thereafter. Education Code, Section 22818 has been revised to permit the Board of Trustees to establish residence determination dates without specific reference to the opening dates of terms. On November 26, 1974 Section 41903 of Title 5 of the California Administrative Code was amended to delegate this authority to the Chancellor.

The residence determination dates included in the attached Executive Order are intended to be "permanent" dates, effective from year to year. They have been selected as the best balance of fairness and simplicity of implementation.

Please be reminded that that statute requires publication of these dates in campus catalogs. If 1975-76 copy has been submitted, please add these dates when page proofs are reviewed.
