To: Presidents

From: Glenn S. Dumke
Chancellor

Subject: Executive Order No. 274, Interim Disciplinary
Action Procedures for Academic Personnel of
The California State University and Colleges

I am transmitting to you five copies of Executive Order No. 274, which continues in effect Interim Disciplinary Action Procedures for Academic Personnel, established by Executive Order No. 245.

These procedures are continued in effect until July 1, 1978, because consultation with the Academic Senate, CSUC, on replacement procedures is still continuing. Substantial progress towards issuance of more permanent procedures has been made, but the process is not yet completed. When it has been, and employee organizations have met and conferred on the subject, should they wish to do so, the more permanent procedures will be issued, and Executive Order No. 245 superseded.

Please arrange distribution to the various areas concerned with this subject. It is your responsibility as President to maintain the campus repository and index for all Executive Orders.
