Subject: Special Examination Fee - Executive Order No. 379

I am transmitting to you a copy of Executive Order No. 379 which increases the maximum fee for Special Examinations from \$10 to \$25 based on the actual cost of administering the exam. This limit is being increased as a result of inflationary pressures on many of the examinations provided by this fee. Campuses are encouraged to maintain these fees at the lowest levels possible. The effective date is February 1, 1982.

In accordance with The California State University policy, the campus President has the responsibility for implementing Executive Orders where applicable and for maintaining the campus repository and index for all Executive Orders.
