Courses, Conferences, Workshops, Seminars, etc., per student	Estimated Cost
---	----------------

Actions taken pursuant to this Executive Order are subject to the following requirements:

1. The President shall determine those courses for which a new or revised fee is necessary for the academic quality and fiscal stability of those courses and the extension program as a whole.
2. In those cases where the new or revised fee falls within the ranges shown in the Special Course Fee and/or Concurrent Enrollment Course Fee sections of this Executive Order, the President shall do the following *prior* to implementing the new or revised fee:
  - a. The campus shall develop detailed cost and enrollment estimates for the course(s) to be supported by the new or revised fee. These estimates shall be committed to writing on Attachment A in sufficient detail to justify the fee.
  - b. The President shall ensure that a copy of the Attachment A form and all cost and enrollment estimate documentation upon which the fee action was based is maintained on file for audit and other purposes for at least three years after a new or revised fee is implemented. Random audits will be made to ensure compliance and continued delegation is contingent upon audit results.
  - c. Annually on July 30th, the President shall submit to the Chancellor's Office a signed summary report on such fee actions. At that time copies of Attachment A shall be sent to the State University Dean, Extended Education.
3. In those cases where the new or revised fee is beyond (below or above) the ranges shown in the Special Course Fee and/or Concurrent Enrollment Course Fee sections of this Executive Order, the campus shall do the following *prior* to implementation of the new or revised fee:
  - a. The campus shall calculate the new or revised fee on the basis of estimated costs and enrollments. These estimates shall be committed to writing in sufficient detail to justify the fee.
  - b. The campus shall submit to the State University Dean, Extended Education, a Request for Fee Authorization form (Attachment B to this Executive Order) signed by the President. This request shall be mailed at least fifteen (15) working days prior to the intended implementation date of the new or revised fee.
  - c. The campus shall not publicize, collect or otherwise implement the fee until it has received signed approval.
  - d. The President and campus Office of Extended/Continuing Education shall ensure that a signed copy of the approved Request for Fee Authorization (Attachment B) and all other materials used to support the fee are maintained on file for audit and other purposes for at least three years after implementation of the new or revised fee.
4. If the President wishes to accept the delegation contained in this Executive Order, he/she should sign two copies of the Acceptance of Authorization form (Attachment C to this Executive Order) and return them to the State University Dean, Extended Education. The State University Dean will obtain the Chancellor's signature and send the President a copy of the form bearing both

signatures. Formal acceptance of the delegation contained in this Executive Order (evidenced by maintaining a signed copy of Attachment C on file) is necessary for the President to be able to implement fees (other than the Standard Course Fees) in conformance with this Executive Order.
