Subject: Student Body Association Fee, California State University, Sacramento —
Executive Order No. 499

I am transmitting to you a copy of Executive Order No. 499 which authorizes the establishment of the revised Student Body Association Fee Schedule for California State University, Sacramento. We are implementing the fee increase after careful consideration of the material which you submitted with your September 19, 1986 request to enact the fee increase approved by vote of the Associated Students.

The student referendum approving an increase in the Student Body Association Fee discussed use of the funds to support athletics. Use of the Associated Students funds for athletics is permitted by Title 5, California Administrative Code, Section 42659. The revenue from this fee, however, may be used for any purpose approved by the Trustees and is subject to regular allocation and appropriation procedures applicable to the Student Body Association.

In accordance with The California State University policy, the campus President has the responsibility for implementing Executive Orders where applicable and for maintaining the campus repository and index for all Executive Orders.
