Subject: Denial or Revocation of Retired Peace Officer's Concealed Weapon Endorsement Privilege —
Delegation of Authority — Executive Order No. 517

I am transmitting to you a copy of Executive Order No. 517, which delegates authority to you to deny or revoke, for good cause, a retired CSU Peace Officer's privilege to carry a concealed weapon.

The authority for retired peace officers to carry concealed weapons is found in the California Penal Code, Section 12027. Section 12027 gives honorably retired peace officers the authority to carry a weapon, subject to the proviso that:

The agency from which a peace officer is honorably retired may, upon initial retirement of the peace officer, or at any time subsequent thereto, deny or revoke, for good cause, the retired officer's privilege to carry a weapon as provided in this subdivision. — California Penal Code, Section 12027(a).

You should note that only the agency, not the chief, has the authority to deny or revoke the officer's statutory privilege under Section 12027. Your Director of Public Safety is in the best position to know whether a particular retired officer should, for some reason, be denied the privilege, and should prepare a recommendation for your action pursuant to the attached delegation.

Chapter III, Section 1, of the Standing Orders of the Board of Trustees delegates authority to the Chancellor sufficient to include this action. The attached Executive Order No. 517 further delegates this authority to the campus Presidents.

In accordance with policy of The California State University, the campus President has the responsibility for implementing Executive Orders where applicable and for maintaining the campus repository and index for all Executive Orders.
