Executive Order No. 519

Actions taken pursuant to this Executive Order are subject to the following requirements:

1. The President shall determine those courses for which a new or revised fee is necessary for the academic quality and fiscal stability of those courses and the summer session program as a whole.

2. In those cases where the new or revised fee falls within the ranges shown in the Special Course Fees section of this Executive Order, the President shall do the following prior to implementing the new or revised fee:
   
a. The campus shall develop detailed cost and enrollment estimates for the course(s) to be supported by the new or revised fee. These estimates shall be committed to writing on Attachment A to this Executive Order in sufficient detail to justify the fee.

   b. The President shall ensure that a copy of the completed Attachment A form and all cost and enrollment estimate documentation upon which the fee action was based is maintained on file for audit and other purposes for at least three years after a new or revised fee is implemented. Random audits will be made to ensure compliance and continued delegation is contingent upon audit results.

   c. At the time the new or revised fee is approved by the President, a copy of the completed Attachment A form shall be sent to the Assistant Vice Chancellor, Academic Affairs, Research and Development in the Office of the Chancellor.

3. In those cases where the new or revised fee is beyond (below or above) the ranges shown in the Special Credit Course Fees section of this Executive Order, the campus shall do the following prior to implementation of the new or revised fee:
   
a. The campus shall calculate the new or revised fee on the basis of estimated costs and enrollments. These estimates shall be committed to writing in sufficient detail to justify the fee.

   b. The campus shall submit to the Assistant Vice Chancellor, Academic Affairs, Research and Development and the Vice Chancellor for Business Affairs, a completed Request for Fee Authorization form (Attachment B to this Executive Order) signed by the President. This request shall be mailed at least fifteen (15) working days prior to the intended implementation date of the new or revised fee.

   c. The campus shall not publicize, collect or otherwise implement the fee until it has received signed approval of the Vice Chancellor for Business Affairs.

   d. The President and campus Office of Extended/Continuing Education shall ensure that a signed copy of the approved Request for Fee Authorization (Attachment B) and all other materials used to support the fee are maintained on file for audit and other purposes for at least three years after implementation of the new or revised fee.

4. The President may authorize a fee higher than the upper limits specified in "B" above only if the portion of the fee exceeding the upper limit is fully budgeted to support student accommodation services costs (meals, refreshments, lodging, student travel, etc.). Such a larger fee is authorized by this Executive Order and should be reported on the prescribed form (Attachment A to this Executive Order) to the Assistant Vice Chancellor, Academic Affairs, Research and Development.

5. If the President wishes to accept the delegation contained in this Executive Order, he/she should sign two copies of the Acceptance of Authorization form (Attachment C to this Executive Order) and return them to the Assistant Vice Chancellor, Academic Affairs, Research and Development. The Assistant Vice Chancellor will obtain the Chancellor’s signature and send the President a copy
of the form bearing both signatures. Formal acceptance of the delegation contained in this Executive Order (evidenced by maintaining a signed copy of Attachment C on file) is necessary for the President to be able to implement fees (other than the Standard Course Fees) in conformance with this Executive Order. If the President has previously accepted in writing the authorization contained in Executive Order No. 474 or 505 and wishes to retain this authorization, no action is necessary.
