Subject: Student Body Association Fee — California State University, Dominguez Hills —
Executive Order No. 560

I am transmitting to you a copy of Executive Order No. 560 which authorizes the revised Student Body Association Fee Schedule requested by California State University, Dominguez Hills.

The approval of the increased fee level is based on background information provided to us by the campus. We are concerned with the low election voter turnout on fee issues which impact all registered students. You may be aware that a systemwide campus based student fees task force is currently reviewing the issue, and I would welcome any suggestions you might have to achieve higher student participation in the future fee elections.

The student referendum approving an increase in the Student Body Association Fee also discussed use of the funds to support athletic operations and scholarships. Use of the Associated Students' funds for athletics is permitted by Title 5, California Code of Regulations, Section 42659(f). The revenue from this fee, however, may be used for any purpose approved by the Trustees and is subject to regular allocation and appropriation procedures applicable to the Student Body Association.

In accordance with The California State University policy, the campus President has the responsibility for implementing Executive Orders where applicable and for maintaining the campus repository and index for all Executive Orders.
