Subject: Nonresident Tuition Fee Level - Executive Order No. 567

I transmit to you a copy of Executive Order No. 567 which establishes the Nonresident Tuition Fee commencing with the Fall 1991 term.

The 1991/92 Governor's Budget contains language and dollar adjustments to increase nonresident tuition by \$1,210 per full-time equivalent student for the 1991/92 academic year. The Board of Trustees did not increase the Nonresident Tuition Fee when it adopted its 1991/92 Support Budget in October, 1990 because the 1990/91 Budget Act contained a significant increase in the Nonresident Tuition Fee. It had been the Trustees' intent to forego increases in the Nonresident Tuition Fee until the fee equaled or was less than the level it would have been using the traditional Nonresident Tuition Fee calculation methodology established by the Board in subdivision (b)(1) of Section 41901 of Title 5, California Code of Regulations. Subdivision (b)(2) of Section 41901 of Title 5 (established by Trustees' Resolution RFIN 05-89-09) provides that should the Governor's Budget require a fee greater than the Trustees' request, the larger fee shall be implemented.

This Executive Order implements the Nonresident Tuition Fee requirement contained in the 1991/92 Governor's Budget. The fee established by Executive Order No. 567 authorizes a \$1,210 per year tuition increase for nonresident students, which represents a 20 percent increase over the 1990/91 fee level.

You will note that Executive Order No. 567 is effective immediately but applicable to the Fall 1991 term.
