Subject: Student Body Association Fee — California State University, Northridge
Executive Order No. 579

I am transmitting to you a copy of Executive Order No. 579 which authorizes the establishment of the revised Student Body Association Fee Schedule requested by California State University, Northridge.

The student referendum approving an increase in the Student Body Association Fee also discussed use of the funds to support construction of a new child care center. Use of the Associated Students' funds for these purposes is permitted by Title 5, California Code of Regulations, Section 42659(o). The revenues from this fee, however, may be used for any purpose approved by the Trustees and are subject to regular allocation and appropriation procedures applicable to the Student Body Association.

In accordance with California State University policy, the campus President has the responsibility for implementing Executive Orders where applicable and for maintaining the campus repository and index for all Executive Orders.
