**Subject:** Authorization — Approval of 1992 Summer Session Course Fees  
Executive Order No. 589

I am transmitting to you five (5) copies of Executive Order No. 589 which delegates authority to each President regarding 1992 Summer Session Course Fees upon written acceptance of such delegation by execution of Attachment B.

This Executive Order incorporates the expanded fee setting delegation which was included last year in the Extension and Special Session Executive Orders. Since this Executive Order includes an expanded scope of delegation, it is necessary that any campus President wishing to accept this delegation sign two copies of the Acceptance of Authorization form (Attachment B to this Executive Order) and return them to the Assistant Vice Chancellor, Academic Affairs, Research and Development. He will obtain the Chancellor's signature and return a signed copy to the President.

The President is responsible for implementing this Executive Order and for maintaining the campus repository and index for all Executive Orders.

Please address any questions you may have regarding this Executive Order to the Assistant Vice Chancellor, Academic Affairs, Research and Development.

**Executive Order No.:** 589  
**Title:** Authorization — Approval of 1992 Summer Session Course Fees  
**Effective Date:** March 13, 1992  
**Supersedes:** Executive Order No. 564

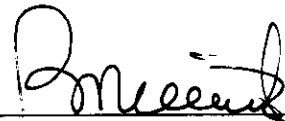

This Executive Order is issued pursuant to Education Code Sections 89704, 89708, and 89709 and Sections 1, 2, and 6 (1) of Chapter III of the Standing Orders of the Board of Trustees of The California State University.

Effective immediately, the Summer Session Course Fees set forth below are approved. Each campus President is authorized to establish, increase and decrease Special Course Fees (except for fees in connection with courses offered as part of external degree programs). The Standard Course Fees specified in "A" below are authorized by this Executive Order and do not require individual action.

2. Administrative (Contract) Course	\$25.50	\$17.00
<b>B. Special Credit Course Fees</b>

5. Individual Study		
6. Internship		
7. Laboratory		
8. Lecture/Discussion		
9. Seminar		
10. Workshop		
11. Student Teaching		
<b>C. Contractually funded course(s)/program(s)</b>		
(Fees not paid by individual students)		
Per Course/program .....		Negotiated amount

Actions taken pursuant to this Executive Order are subject to the following requirements:

1. All monies derived from fees set in accordance with the terms of this Executive Order shall be used exclusively for the support and development of self-supporting instructional programs.
2. Campuses shall avoid setting fees that generate excessive surpluses.
3. The President shall determine those courses for which a new or revised fee is necessary for the academic quality and fiscal stability of those courses and the summer session program as a whole.
4. The President shall do the following *prior* to implementing the new or revised fee:
  - a. The campus shall develop detailed cost and enrollment estimates for the course(s) to be supported by the new or revised fee. These estimates shall be committed to writing on Attachment A of this Executive Order in sufficient detail to justify the fee.
  - b. The President shall ensure that a copy of the completed Attachment A form and all cost and enrollment estimate documentation upon which the fee action was based is maintained on file for audit and other purposes for at least three years after a new or revised fee is implemented. Random audits will be made to ensure compliance and continued delegation is contingent upon audit results.
  - c. At the time the new or revised fee is approved by the President, a copy of the completed Attachment A form shall be sent to the Assistant Vice Chancellor, Academic Affairs, Research and Development in the Office of the Chancellor.
5. Item C authorizes the campus to set fees for courses/programs that are funded by contracts between the campus and *outside* (non-CSU) organizations. This provision does not apply to contracts between the campus and its auxiliary organizations (foundations). The campus shall report all fees set under this provision on Attachment A to this Executive Order. The form should be filled out in the usual way, but the contractual party identified and the fees should be expressed in per course/program terms, rather than in per unit terms.
6. If the President wishes to accept the delegation contained in this Executive Order, he/she should sign two copies of the Acceptance of Authorization form (Attachment B to this Executive Order) and return them to the Assistant Vice Chancellor, Academic Affairs, Research and Development. The Assistant Vice Chancellor will obtain the Chancellor's signature and send the President a copy of the form bearing both signatures. Formal acceptance of the delegation contained in this Executive Order (evidenced by maintaining a signed copy of Attachment B on file) is necessary for the President to be able to implement fees (other than the Standard Course Fees) in conformance with this Executive Order.
