Subject: Student Body Association Fee—California State University, Sacramento—Executive Order No. 620

I am transmitting a copy of Executive Order No. 620 which confirms approval for you to continue a previously authorized Student Body Association Fee Schedule for California State University, Sacramento.

The fee referendum approved by the students on March 30 and 31, 1993, discussed use of the funds to support a transportation system and it represents a continuation of a fee level originally approved for a two-year term in fall 1991. Use of student body organization funds is permitted by Title 5, California Code of Regulations, Section 42659(n). However, the revenue from this fee may be used for any purpose approved by the Trustees and is subject to regular allocation and appropriation procedures applicable to the student body association.

In accordance with policy of The California State University, the campus President has the responsibility for implementing Executive Orders where applicable and for maintaining the campus repository and index for all Executive Orders.
