Subject: Student Body Association Fee—San Jose State University—Executive Order No. 621

I am transmitting to you a copy of Executive Order No. 621 which authorizes the establishment of the revised Student Body Association Fee Schedule requested by San Jose State University.

The student referendum approving an increase in the Student Body Association Fee discussed use of the funds to support a transportation system. Use of student body organization funds for transportation services is permitted by Title 5, California Code of Regulations, Section 42659(n). However, the revenue from this fee may be used for any purpose approved by the Trustees and is subject to regular allocation and appropriation procedures applicable to the Student Body Association.

The fee referendum approved by the students also specified a two-year limitation of the increased fee level. The attached Executive Order reflects this action, with the fee returning to the previous level in fall 1996.

In accordance with policy of The California State University, the campus President has the responsibility for implementing Executive Orders where applicable and for maintaining the campus repository and index for all Executive Orders.
