MEMORANDUM

TO: CSU Presidents  
FROM: Timothy P. White, Chancellor

SUBJECT: Recission of Executive Order 632 – Installment Payment Plans

Executive Order 632 – Installment Payment Plans – is rescinded. It is outdated and should no longer be used. Changes to California State University student fee policy (currently Executive Order 1102) that were made subsequent to the approval of Executive Order 632 have made it obsolete. Installment payment plans still must meet the requirements of Education Code Section 89700.1, including that fees should only be sufficient “to cover the costs of administering a system of installment payments,” but they also are considered Category IV fees and therefore are under the authority of campus presidents with consultation of the Campus Fee Advisory Committee.

In accordance with policy of the California State University, the campus president has responsibility for implementing executive orders where applicable and for maintaining the campus repository and index for all executive orders.

If you have questions regarding the rescission of this executive order, please contact the CSU Systemwide Budget Office at (562) 951-4560.
