Subject: Student Body Association Fee—California State University, Fullerton—Executive Order No. 634

I am transmitting a copy of Executive Order No. 634, which authorizes the establishment of the revised Student Body Association Fee Schedule for California State University, Fullerton.

The fee referendum approved by the students on November 10 and 11, 1993, provided additional support to intercollegiate athletics and other student related programs and in return provided free admission to students for all home athletic events. Use of student body organization funds for these purposes is permitted by Title 5, California Code of Regulations, Section 42659. However, the revenue may be used for any purpose approved by the trustees and is subject to regular allocation and appropriation procedures applicable to the student body association.

In accordance with policy of The California State University, the campus President has the responsibility for implementing Executive Orders where applicable and for maintaining the campus repository and index for all Executive Orders.
