Executive Order No.: 713
Title: Delegation of Authority
Naming of CSU Facilities and Properties
Effective Date: November 1, 1999
Supersedes: Executive Order No. 335

This Executive Order is issued pursuant to a delegation of authority to the Chancellor contained in RIA 07-99-09, a revision to the Trustees' Policy and Procedure on Naming California State University Facilities and Properties adopted on July 8, 1999.

Effective November 1, 1999, I hereby delegate to the University Presidents the authority to name individual rooms, limited areas, and individual items or features within buildings, individual landscape items or features, limited outdoor areas, and other minor properties. The president is also delegated authority to approve temporary namings for a facility or property, reflecting natural or geographic features, or reflecting a traditional theme of a university. Each proposal for naming a CSU facility or property shall be considered on its own merits. In all cases, due diligence must be performed and observed to ensure that names given are appropriate to the University.

The intent of the revised policy is to bring only highly visible facilities and properties before the Board of Trustees.

This policy is intended to encourage private support through opportunities to name campus facilities and properties and only under extraordinary circumstances should facilities and properties be named without a gift.

Charles B. Reed
Chancellor
