Executive Order: 724 R

Title: Category III Off-Campus Study Program Fee,
California Polytechnic State University, San Luis Obispo

Effective Date: December 13, 2000

Supercedes: Executive Order 724

This Executive Order is issued pursuant to authority granted by Education Code Section 89700, Standing Orders of the Board of Trustees, Chapter III, Section 6-f-1, and Board of Trustees' Resolution RFIN 05-96-06 and consonant with Executive Order No. 661.

Effective January 26, 2000, California Polytechnic State University, San Luis Obispo was authorized to establish a Category III Off-Campus Study Program Fee. Fee amounts range between \$8 and \$10,000 and cover non-instructional expenses for optional quarter-long, off-campus study programs. The fees authorized herein are to reimburse the university for non-instructional expenses such as travel, facilities, goods, and other services necessary to provide a General Fund supported course at an off-campus location. The General Fund supported course must also be available on the university's campus with equivalent course credit without the requirement to pay the off-campus expenses. Fee revenue from these fees may be assessed only to reimburse the cost to the campus of furnishing the services, goods, and facilities and may not be used to supplant state support for instruction.

The fees authorized herein may be deposited in a local trust account pursuant to Education Code Section 89721(g).
