Title: Miscellaneous Course Fees for Physics 112, 122, 222, and 232; San Francisco State University

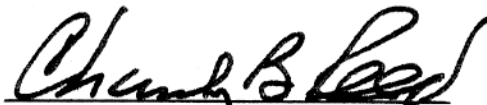

Effective Date: February 15, 2002

Supersedes: No Prior Executive Order

This Executive Order is issued under the authority granted by Education Code Section 89700, Standing Orders of the Board of Trustees, Chapter III, Sections 1, 2 and 6-f-1, and Board of Trustees' Resolution RFIN 03-04-00, and consonant with Executive Order Number 740.

Effective February 15, 2002, San Francisco State University is authorized to establish Category III, Miscellaneous Course Fees for Physics 112, 122, 222, and 232. These fees will cover the cost of computer printouts of laboratory analyses and graph exercises. The Physics 112, 122, 222, and 232 miscellaneous course fees are established at a fee rate of \$4.

Revenue collected from miscellaneous course fees are to be deposited either in the General Fund or in a local trust account, depending on the nature of the fee. As required by Education Code Section 89721(g), revenue collected may be deposited in a local trust account where the fee is required of those persons who, at their option, use the services or facilities, or are provided the materials, for which the fee is collected. In other words, if the student has the option to procure materials for which the fee is charged on the open market or some other way separate from the university and still fulfill the requirements of the university course, the revenue may be deposited in trust. Fees so deposited shall be used solely to meet the costs of providing these materials. Otherwise, as required by Section 89724(a) of the Education Code, revenue collected from the miscellaneous course fee shall be deposited in the State Treasury and credited to the General Fund for the support of the university in addition to such other amounts as may be appropriated by the Legislature.
