Executive Order: 848

Title: Optional Summer Term State University Fee Schedules

Effective Date: Summer Term 2003

Supersedes: Executive Order No. 772

This Executive Order is issued pursuant to authority granted by Education Code Section 89700 and Board of Trustees' Resolution RBOT 12-02-10. This Executive Order adjusts summer term State University Fee Schedules to be consistent with the fee adjustment adopted by the Board of Trustees in December 2002. It reaffirms the option available to all campuses to implement a summer term, per unit fee schedule and allows campuses utilizing an academic calendar based on quarters to increase the number of units in which their students can be enrolled at the lower tier of the State University Fee. Effective summer term 2003, CSU campuses are authorized to establish the following summer term State University Fee schedules:

Optional Summer Term Per Unit State University Fee Schedule Available For All Campuses				
Units	Per Unit Fee Option for All Campuses	Semester Campuses Maximum for the Summer Term	Quarter Campuses Maximum for the Summer Term	Stanislaus Campus Maximum for the Summer Term
Undergraduate:				
6.1 or more	\$ 82	\$786	\$524	\$786
0 to 6.0	\$115	\$456	\$304	\$456
Graduate:				
6.1 or more	\$ 92	\$867	\$578	\$867
0 to 6.0	\$ 126	\$504	\$336	\$504

Alternative Optional Summer Term Per Unit State University Fee Schedule Available to Quarter-Calendar Campuses Only	
Units	Quarter Campuses Summer Term Maximum
Undergraduate:	
8.1 or more	\$524
0 to 8.0	\$304
Graduate:	
8.1 or more	\$578
0 to 8.0	\$336

Both of the fee schedules described above, the Summer Term Per Unit Fee Schedule and the Alternative Summer Term Fee Schedule (for Quarter-Calendar Campuses Only) are optional. As noted in the first table, however, the State University Fees paid by students on campuses where the Optional Summer Term Per Unit Fee Schedule has been implemented may not exceed the maximum semester/quarter fees established by the California State University's Board of Trustees.
