MEMORANDUM

TO: CSU Presidents
FROM: Charles B. Reed
       Chancellor

SUBJECT: CSU Drug-Free Workplace Policy - Executive Order No. 930

Enclosed is a copy of Executive Order 930, the CSU Drug-Free Workplace Policy. Executive Order 930 is in compliance with the federal Drug-Free Workplace Act of 1988 (41 U.S.C. 701) and the California Drug-Free Workplace Act of 1990 (Government Code § 8350 et seq.).

Campuses shall adopt and implement the policy set out in this executive order. In some cases, a campus may already have an existing drug-free policy. Campuses’ drug-free policies shall, at a minimum, adopt and implement the requirements mandated by this executive order, but may choose to regulate more activities or impose more stringent restrictions, provided that they do not violate any applicable statutes, regulations, and policies.

In 1989, campuses were informed of the legal requirements of the federal Drug-Free Workplace Act of 1988 by way of a coded memorandum (FSR 89-18 Drug Free Workplace Requirements – Public Law 100-690. See now 41 U.S.C. 701). FSR 89-18 may continue to be relied on for guidance in how to comply with the certification requirements of the federal Drug-Free Workplace Act of 1988.

Questions regarding any of these statutes should be directed to the Office of General Counsel.

In accordance with the policy of the California State University, the campus president has the responsibility for implementing Executive Order 930 and for maintaining the campus repository and index for all executive orders.

Title: CSU Drug-Free Workplace Policy

A. Policy

The California State University (CSU) is committed to maintaining a workplace free from the unlawful manufacture, possession, distribution, dispensation or use of controlled substances, as defined in schedules I through V of the Controlled Substances Act (21 U.S.C. §812) and 21 C.F.R. Part 1308.

Employees violating this policy shall be subject to discipline, up to and including dismissal. Discipline shall be imposed in a manner consistent with the applicable labor agreements, CSU policies, and law. In addition to, or in lieu of discipline, CSU may, at its discretion, require employees violating the policy to participate satisfactorily in an appropriate drug abuse rehabilitation program.

B. Application

This policy applies to CSU employees. “Employee” means a person legally holding a position in the California State University.

C. Implementation

The president at each campus (or the chancellor at the Chancellor’s Office) shall be responsible for implementing this policy. This includes, but is not limited to:

1. Establishing a drug-free awareness program which distributes to each employee:

   a. A copy of this policy;
b. A description of the dangers of drug abuse in the workplace;

c. A description of any drug counseling, treatment, or rehabilitation programs available to employees; and

d. A description of the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

2. Requiring each employee, who is directly engaged in the performance of a contract or grant that is awarded by any federal or state agency, to abide by the terms of the policy as a condition of employment on the federal or state contract or grant;

3. Requiring each employee, who is directly engaged in the performance of a contract or grant that is awarded by any federal agency, to notify the campus within five (5) days of conviction of any criminal drug conviction for a violation occurring in the workplace.

4. Notifying the federal contracting or granting agency within ten (10) days after receiving the notice described in C.3. from an employee or otherwise receiving actual notice of such conviction.

5. Imposing discipline on employees convicted of a drug crime for a violation occurring in the workplace and/or requiring such employees' satisfactory participation in a drug abuse rehabilitation program.

(B) such a number of employees of such contractor have been convicted of violations of criminal drug statutes for violations occurring in the workplace as to indicate that the contractor has failed to make a good faith effort to provide a drug-free workplace as required by subsection (a) of this section.

(C) Redesignated (B)

(2) Conduct of suspension, termination, and debarment proceedings

(A) If a contracting officer determines, in writing, that cause for suspension of payments, termination, or suspension or debarment exists, an appropriate action shall be initiated by a contracting officer of the agency, to be conducted by the

(3) Effect of debarment

Upon issuance of any final decision under this subsection requiring debarment of a contractor or individual, such contractor or individual shall be ineligible for award of any contract by any Federal agency, and for participation in any future procurement by any Federal agency, for a period specified in the decision, not to exceed 5 years.

NOTES OF DECISIONS

Mandatory nature of drug testing

1. Mandatory nature of drug testing

Drug-Free Workplace Act did not require public utility to perform drug testing on its employees such that utility could be considered “state actor” for purposes of Fourth and Fifth Amendment claims asserted by former employee who was fired following drug test, notwithstanding “requirements” set forth in Act to enable federal contractors and grant recipients to remain eligible for federal funds and notwithstanding former employee’s reference to certain federal regulations purportedly mandating testing; regulations relied by employees were promulgated under different statutes, Act did not mandate drug tests, and employee identified no regulations implementing act that did so. § 703. Employee sanctions and remedies

A grantee or contractor shall, within 30 days after receiving notice from an employee of a conviction pursuant to section 701(a)(1)(D)(ii) or 702(a)(1)(D)(ii) of this title—
(1) take appropriate personnel action against such employee up to and including termination; or

(2) require such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency.

§ 704. Waiver

(a) In general

A termination, suspension of payments, or suspension or debarment under this chapter may be waived by the head of an agency with respect to a particular contract or grant if—

(1) in the case of a waiver with respect to a contract, the head of the agency determines under section 701(b)(1) of this title, after the issuance of a final determination under such section, that suspension of payments, or termination of the contract, or suspension or debarment of the contractor, or refusal to permit a person to be treated as a responsible source for a contract, as the case may be, would severely disrupt the operation of such agency to the detriment of the Federal Government or the general public; or

(2) in the case of a waiver with respect to a grant, the head of the agency determines that suspension of payments, termination of the grant, or suspension or debarment of the grantee would not be in the public interest.

(b) Exclusive authority

The authority of the head of an agency under this section to waive a termination, suspension, or debarment shall not be delegated.
