Executive Order No. 931

Executive Order: 931
Effective Date: January 5, 2005
Supersedes: Executive Orders 825 and 897
Title: Student International Travel Accommodations Course Fee; San Diego State University

This executive order is issued under the authority granted by Education Code Sections 89035 and 89700, Standing Orders of the Board of Trustees, Chapter II, i, and Board of Trustees’ Resolution RFIN 03-04-00, and consonant with Executive Order Number 740.

Effective January 5, 2005, San Diego State University is authorized to establish a Category III, Student International Travel Accommodations Course Fee at a fee range of $750 to $10,000. The Student International Travel Accommodations Course Fee will cover costs related to elective courses that include student housing, transportation, food, field trips, insurance, security deposits, and related materials and services.

Revenue collected from miscellaneous course fees is to be deposited either in the General Fund or in a local trust account, depending on the nature of the fee. In accordance with Education Code Section 89721(g), revenue collected may be deposited in a local trust account where the fee is required of those persons who, at their option, use the services or facilities, or are provided the materials, for which the fee is collected. In other words, if the student has the option to procure the service or materials for which the fee is charged on the open market or some other way separate from the university and still fulfill the requirements of the university, the revenue may be deposited in trust. Revenue so deposited shall be used solely to meet the costs of providing these services, materials, and facilities. Otherwise, in accordance with Section 89724(a) of the Education Code, revenue collected from miscellaneous course fees shall be deposited in the State Treasury and credited to the General Fund for the support of the university in addition to such other amounts as may be appropriated therefor by the Legislature.
