Revenue collected from miscellaneous course fees is to be deposited either in the General Fund or in a local trust account, depending on the nature of the fee. In other words, if the student has the option to procure the service or materials for which the fee is charged on the open market or some other way separate from the university and still fulfill the requirements of the university, the revenue may be deposited in trust. Revenue so deposited shall be used solely to meet the costs of providing these services, materials, and facilities.

Otherwise, in accordance with Section 89724(a) of the Education Code, revenue collected from miscellaneous course fees shall be deposited in the State Treasury and credited to the General Fund for the support of the university in addition to such other amounts as may be appropriated therefor by the Legislature.
