Subject: CSU Salary Schedule Changes – Payscale Modifications

California Faculty Association (CFA)  
UNIT 3

Pursuant to an agreement reached between the California State University (CSU) and the California Faculty Association (CFA) on a revised Article 21 - Summer Term Employment, payscale modifications were incorporated into the CSU Salary Schedule as noted below. Refer to coded memo HR/Salary 2006-07 for additional information.

**Instructional Faculty, Summer Session – State Support – (code 2457)** – This new classification was added to the CSU payscales effective May 2, 2006.

**Instructional Faculty, Summer Session – Extension – (code 2357)** – To distinguish between state versus self-supported summer session employment, the term “extension” was added to the existing title of this classification. The payscale structure was modified to parallel the Instructional Faculty, Summer Session – State Support classification (code 2457) whereby ranges 1 and 2 were converted to open ranges and ranges 3-5 were abolished effective May 2, 2006.
