

DEVELOPING DREAMS

Allen Warren

President and CEO

New Faze Development

California State University, East Bay

(1989, Political Science)

» Played center field for the New York Yankees farm team.

» Worked as a stockbroker for Dean Witter, where he realized the potential of the real estate market.

» Persuaded his mother to let him develop the 5-acre parcel she owned in Del Paso Heights into a 26-lot subdivision. That led to a series of successful projects.

» Started New Faze Development in 1990, which has a portfolio of properties worth in excess of \$1 billion.
