

Contributions to the Public Good

The information provided in this section addresses many important institutional contributions to California. This small collection of data is designed to ensure that many of our public universities are recognized for their societal contributions as well as demonstrating greater accountability to individual students, parents and the public-at-large.

Degrees Granted 2009-10		
Total Degree Awards	CSU	% of State
Bachelor's	75,418	46%
Master's	19,507	29%
Doctoral	145	2%
