

“Health Professions Pathways and Best Practices”
Statewide Summit Meeting
January 15, 2009
California State University
Office of the Chancellor

Informal Luncheon Discussions
Noon to 1:25 p.m.

Luncheons may be picked up in the foyer outside of the Dumke auditorium, and then taken into the rooms listed below. Informal discussion sessions will include presentations on specific programs that aid the transitions of CSU students to careers in health professions, as well as comments from the students who have successfully navigated the health professions pipeline process.
