About Praesidium

“To help you protect those in your care from abuse and to help preserve trust in your organization.”

• Two decades of experience
• More than 4,000 clients across diverse industries
• Completed thousands of root cause analyses
• Developed proprietary abuse risk management model
• Offer complete range of risk management solutions
• National safety partner with:

YMCA of the USA, Boys & Girls Clubs of America, USA Swimming, Church Pension Group, Child Welfare League of America, Conference of Major Superiors of Men and others
What We Believe

• Abuse can be prevented
• Everyone is responsible for preventing abuse
• Abuse prevention requires a commitment to quality
• Commitment starts at the top

Promote a Culture of Safety

- Standards are clear
- Standards are enforced
- Everyone knows safety is part of their job
- Everyone takes warning signs seriously
- Everyone reports their concerns
1. Identify Point Person

2. Identify & Communicate with Programs Serving Minors

3. Programs Prepare for Assessment

4. Programs Complete Assessment

5. Understand & Prioritize Results

6. Implement Standards & Resources
• Online tutorials to help you prepare

User Comments

• That was phenomenal and scary! These are things I’ve thought about but didn’t know where to start.
  - SoCal Program Director

• Wow that was a doozy! ... [W]e can never assume that organizations are going to do their jobs and have systems in place to ensure safety and protection of their youth. I’ll admit some aspects of this process were a bit uncomfortable, but it needed to be done.
  – NorCal Program Director
Overcoming Common Challenges

• Other priorities
• Lack of resources
• Lack of support or buy-in
• Not knowing who or where a campus serves minors
• Not knowing who owns the initiative
• Fear of creating more legal exposure
• What next . . .
Give Quality a Boost

Aiming for excellence not compliance.
