Total Award Amount: \$660,000

Dear Ms. DeRosa:

Congratulations, the California Emergency Management Agency (Cal EMA) has identified your organization to receive funds pursuant to your application under the Fiscal Year (FY) 2009 Homeland Security Grant Program (HSGP). The approved projects, and their respective amounts, are as follows:

<b>Project</b>	<b>Funding Source</b>	<b>Amount</b>	<b>Performance Period</b>
B—Interoperable Communications	HSGP	\$ 180,000	January 31, 2012
B—Interoperable Communications	UASI	\$ 420,000	January 31, 2012
C—CEMHS Training/Higher Ed. Strategic Plan	HSGP	\$ 60,000	January 31, 2012

Cal EMA must receive and approve the application documents and a final budget for all projects. All Aviation/Watercraft requests, Emergency Operations Center (EOC) projects, and Sole Source Procurement requests require additional approvals from Cal EMA. No costs may be incurred on any project requiring Environmental and Historic Preservation (EHP) review until the US Department of Homeland Security/Federal Emergency Management Agency (DHS/FEMA) issues approval.

This grant is subject to all policies and provisions set forth in FY 2009 HSGP Grant Number 2009-SST9-0019. The HSGP requirements are described in the DHS FY 2009 HSGP Guidance and Application Kit.

Please submit the final application, and Financial Management Forms Workbook (FMFW), and all other required documentation that reflect the approved projects to your Cal EMA Program Representative, Casey Granados, at [casey.granados@ohs.ca.gov](mailto:casey.granados@ohs.ca.gov). If you have any questions, Mr. Granados can be reached at (916) 322-2643.

Thank you for your work in protecting California. We look forward to working with you and appreciate your cooperation and support.

Sincerely,

**BRENDAN A. MURPHY**
