Welcome to ASSIST

ASSIST is an online student-transfer information system that shows how course credits earned at one public California college or university can be applied when transferred to another. ASSIST is the official repository of articulation for California’s public colleges and universities and provides the most accurate and up-to-date information about student transfer in California.

Selected institution and academic year:
- American River College
- 16-17

assist.org
- Thousands of transferable courses
- Many added each year
- Note any “Date Removed”
- Authoritative for GE and Major
decision-making, environmental systems, technology, lifelong learning and self-development, and physical and emotional health throughout a lifetime.

3.2 CSU Student Learning Outcomes
Each CSU campus shall define its GE student learning outcomes, to fit within the framework of the four “Essential Learning Outcomes” drawn from the Liberal Education and America’s Promise (LEAP) campaign, an initiative of the Association of American Colleges and Universities.

LEAP Essential Learning Outcomes Framework
- Knowledge of Human Cultures and the Physical and Natural World
- Intellectual and Practical Skills
- Personal and Social Responsibility
- Integrative Learning

Within the LEAP Essential Learning Outcomes framework, campuses may
Current Work

A – communication and critical thinking
B – science and quantitative reasoning
C – arts and humanities
D – social sciences
E – lifelong learning

**Note:**
Even though this is a statewide pattern, students who know their destination CSU can still optimize some course choices within an Associate Degree for Transfer.
