Impaction

- All majors at SDSU are impacted, therefore SDSU admits by major with slightly different Eligibility Indexes for different majors
- These Eligibility Indexes vary each year based on the applicant pool and are not released to students
- Music, Dance, and Theatre require auditions, and Nursing requires a superior GPA with competitive scores on each section of the SAT/ACT, and at least a grade of 'B' or higher in Intermediate Algebra, Biology, and Chemistry

Impaction

- SDSU's local admission area begins south of SR 56 and extends through Imperial County
- Applicants may receive additional consideration from schools within this area
