Asian Bilingual Authorization Scholarships

Eligibility:

- Individuals of Asian background with bilingual skills in Chinese (Cantonese, Mandarin), Korean, Vietnamese, Filipino (Tagalog), or Hmong; individuals of non-Asian backgrounds who are fluent in any of Asian languages and passed CSET LOTE II (Hmong or Tagalog) or III (Chinese, Korean, or Vietnamse);
- College Seniors or Recent College Graduates who will apply for multiple subject or single subject bilingual authorization program in math, science, English at CSUN or at some other CSUs;
- Students who meet the admission criteria of the CSUN or other CSU credential program, and who are recently admitted to the credential program.
- Students who want to teach at a California public school in Los Angeles, Long Beach, Fullerton, Glendale, Burbank, Cupertino, San Francisco, Sacramento, and San Jose, etc., after they obtain a bilingual teaching credential;
- Scholarships for tuition, textbooks (on loan), and other expenses will be provided, as long as students maintain 3.0 GPA during the credential coursework. For pre-credential students, it is $7,000 and @ $3,000 for post-credential students.
- Students will be required to attend some additional enrichment workshops in instructional technology and multicultural education.
- To obtain more information, please go to these websites: http://www.csun.edu/education/asianbtep/ and/or https://sites.google.com/site/bilingualauthprogram/
