Subject: Annual Update of Campus Highlights Publication

We are continuing our practice of updating the Campus Highlights publication for distribution at the Fall 2002 Counselor Conferences for high school and community college counselors. In order to ensure the accuracy of the information and common data, we are requesting your assistance by updating last year’s campus information for the 2002-2003 edition. In response to requests from counselors, we will provide data and information in a uniform format. This will enable counselors to compare key information from multiple campuses more easily.

Guidelines for submitting campus information are provided below. Last year’s information is attached to assist you in formulating your campus update for 2002-2003.

Each campus will have two pages on which to provide 850 words total of narrative text. The categories are as follows:

(1) campus profile
(2) academic profile
(3) student life
(4) 2002-2003 calendar
(5) EPT/ELM examination dates
