EXECUTIVE ORDER

Student Air Travel

Effective immediately, all student air travel sponsored by, or pursuant to a program of, the California State Colleges, any State College, any student body organization, or any organization affiliated with such organization, or with any combination thereof, will utilize only those air carriers which satisfy one of the following:

1. Carriers operating under Parts 40, 41 or 44 of Chapter I, Subchapter A of the Regulations of the Federal Aviation Agency (14 C.F.R.), and which have in force a certificate or permit, as the case may be, issued by the Federal Aviation Agency, and a Certificate of Public Convenience and Necessity appropriate for the particular carriage, issued by the Civil Aeronautics Board under Parts 202, 203, or 207 of Chapter II, Subchapter A of the Regulations of the Civil Aeronautics Board (14 C.F.R.). In all cases of utilization of any of the carriers specified above for other than scheduled flights, the carrier shall provide the College with a certificate of liability insurance in force covering bodily injury or death of State College student passengers in the amounts and subject to terms, conditions and authorized exclusions at least equivalent to that coverage required by the provisions of Part 208, Chapter II, Subchapter A of the Regulations of the Civil Aeronautics Board (14 C.F.R.).

2. United States Air Force flights, where the provisions of each of the following lettered subdivisions are satisfied:

(a) The flight is either on Air Force equipment or on equipment owned by a private carrier operating pursuant to contract with the Air Force, where such private carrier satisfies each of the requisites of Part 1 of this Order;

(b) The flight has been fully authorized by:
(1) The commander of the Air Force ROTC detachment at the particular State College in the case of any flight of students enrolled in the Air Force ROTC program at that State College, where the flight is in support of the orientation, education or training of such students in that program;

(2) Appropriate Air Force authority in the case of all other Air Force flights;

(c) It shall also be necessary that:
(1) In the case of any flight pursuant to subdivision (b)(1) of Part 2 of this Order, the commander of the Air Force ROTC detachment at the particular State College shall certify to the Dean of Students that the proposed flight will be a flight or flight instruction under chapter 103 of Title 10 of the United States Code (providing for the Senior Reserve Officers' Training Corps).

(2) In the case of any flight pursuant to subdivision (b)(2) of Part 2 of this Order, students flying pursuant thereto shall first obtain, or have obtained on their behalf, trip life insurance in an amount not less than $50,000.00, covering such flight.

Executive Order No. 2 is modified to the extent inconsistent with this Executive Order.
