This Executive Order is issued pursuant to Chapter 3, Section 4, Subsection e of the Standing Orders of the Board of Trustees.

1. Each California State College President is, by this Executive Order, designated and authorized to enter into agreements and contracts for the construction, alteration, repair and improvement of State College facilities when the total amount of the contract is not more than one thousand dollars, provided that all applicable statutes, regulations, and administrative directions contained in appropriate manuals are complied with, and provided further that there is proper budgetary provision.

2. Each California State College President is further authorized to carry out construction with day labor when the total cost of the construction does not exceed five thousand dollars, provided that all applicable statutes, regulations, and administrative directions contained in appropriate manuals are complied with, and further provided that there is proper budgetary provision.

3. Each California State College President is authorized to enter into non-capital outlay agreements, and contracts exempt from approval by the Department of General Services as provided in Section 1201.1 of the State Administrative Manual and future amendments thereto, and sections cross referenced therein, provided that all applicable statutes, regulations, and administrative directions contained in appropriate manuals are complied with, and further provided that there is proper budgetary provision.
