A record of these details shall be maintained on file by the campus office of Continuing Education.

3. The President shall determine the amount of the new or revised fee on the basis of the estimated course costs and anticipated enrollment levels.

5. Each Extension course fee change authorized shall be recorded on the prescribed form (Attachment A) and maintained on file by the President. At the time each course fee change is approved, information copies of the prescribed form (Attachment A) shall be submitted to the State University Dean, Continuing Education, and the Vice Chancellor for Business Affairs for purposes of post audit review and for reporting to the Board of Trustees.
6. Requests for Extension course fees that are beyond the scope of this delegation shall be submitted to the State University Dean, Continuing Education, on the attached form (Attachment B). The completed form should be submitted at least ten working days prior to first collection of fees. No such fee may be announced, publicized or implemented prior to receipt of written authorization from the Chancellor.

The Chancellor will sign the form and a copy bearing both signatures will be returned to the President. Presidents choosing not to accept the delegation should indicate this fact by memorandum to the State University Dean, Continuing Education.
