Subject: Elimination of Shift Differential for MPP Employees

Effective September 1, 1998, shift differential pay for Management Personnel Plan (MPP) employees is eliminated. As appropriate, shift differentials ($39.87/month for evening, $48.53/month for night) previously paid as a PIP payment should be incorporated into the employee’s base pay by processing a CRO transaction with the new salary rate effective September 1, 1998. The salary rate may be rounded up to the nearest whole dollar. Please reference T/L HR/SA 98-15 in Item 215.

Please contact Pamela Chapin (562/985-2652) or Theresa Hines (562/985-2674) if you have any questions.
