Subject:    Benefits Update – Maternity/Paternity/Adoption Leave for Management and Confidential Employees

Effective August 1, 2004, the Maternity/Paternity/Adoption Leave for Management Personnel Plan (MPP) and Confidential employees is revised to provide scheduling flexibility as indicated below:

The Maternity/Paternity/Adoption Leave is thirty (30) consecutive (work) days of paid leave commencing within 60 days after the arrival of a new child. This paid leave applies to the birth of an employee’s own child or the placement of a child with the employee in connection with adoption or foster care. Paid Maternity/Paternity/Adoption Leave runs concurrently with other related leaves for which the employee is eligible.

Upon mutual agreement and on an exception basis, the scheduling of the Maternity/Paternity/Adoption Leave may be modified to meet the operational needs of the campus.

Please note that this leave may be taken in daily increments only.

The Maternity/Paternity/Adoption Leave chart has been updated and is attached for your reference.

**Paid Maternity/Paternity/Adoption Leave**

The Maternity/Paternity/Adoption leave is a paid leave associated with the birth of an employee’s own child or the placement of a child with the employee in connection with adoption or foster care. This type of absence is not charged against the employee’s leave credits, and the amount of paid days received is based on employee category.

Paid Maternity/Paternity/Adoption leave runs concurrently with any other related leaves for which the employee is eligible. The chart below is a reference that can be used to determine the amount of paid maternity/paternity/adoption leave an employee is entitled to under this program.
