Supersedes: HR/Benefits 2003-35

From: Cathy Robinson
Assistant Vice Chancellor
Human Resources Administration

Subject: Eligibility Criteria for CSU Core and Supplemental Benefit Plans

The California State University (CSU) provides multiple benefit plans to eligible represented and unrepresented employees. This Technical Letter updates plan effective date information for CSU-paid Life Insurance; updates class code information, where appropriate; adds “Grandfathered” eligibility criteria; and includes a new Summary Core and Supplemental Benefits Chart to assist campuses in administration of CSU benefits plans through the following information:

I. General Benefits Eligibility Criteria
II. Core Benefit Plans – Medical, Basic Dental and Vision
III. Supplemental Benefit Plan – CSU Paid Life Insurance
IV. Supplemental Benefit Plan – Long Term Disability
V. Benefit Effective Dates
VI. Monitoring Time Base (FTE)
VII. Retirees
VIII. Consecutive Q1 Appointments for AB 211 Appointments

Campuses also may refer to benefit Administrative Guides and Technical Letters, specifically HR/Benefits 2003-06, for additional information, as appropriate. Please note that a new Administrative Guide for Life Insurance, Vision, and Long Term Disability Insurance will be released in the near future.

The following Attachments are provided:

I. General Benefits Eligibility Criteria

For an employee to be eligible for benefits, he/she must be in a benefits eligible classification and must meet one of the following three enrollment criteria:

- **Regular appointment** – employee is appointed in a benefits eligible classification with a time base of at least half-time (0.5 Full Time Equivalent (FTE)) and with a length of appointment for at least six months and one day.

- **AB 211 appointment** – Lecturers and Coaches (R03) in class codes 0357, 0360, 0361, 0364, 0465, 0557, 0560, 0564, 2308, 2358, 2375, 2378, 2381, and 2384 who are appointed for at least six (6) weighted teaching units (WTUs) (i.e., 0.4 time base/FTE) for at least one semester or two consecutive quarters. AB 211 appointments include a lecturer or coach appointed to a 0.4 FTE for an Academic Year (AY) or a 0.5 FTE up to full-time lecturer or coach appointed for one semester or two consecutive quarters.

- **“Grandfathered” Faculty appointment** – employees who were enrolled in benefits during the 1991/92 Academic Year retain their benefits eligibility even if they have had a subsequent break in service. These employees may reenroll in benefits if reappointed to teach at least six (6) WTUs (i.e., 0.4 FTE) but less than seven and one-half (7 ½) WTUs (i.e., 0.49 FTE) for a period of at least six months and one day. Only Academic Year Lecturers and Coaches in class codes 2308, 2358, 2375, 2378, 2381, or 2384 are eligible for this eligibility criteria. Please refer to HR/Benefits 2002-09, Supplement #2 and HR/Benefits 94-03 and Supplement #1 for additional information.

*For purposes of determining benefits eligibility under AB 211 criteria, only AB 211 eligible classifications can be combined.*

*For purposes of determining benefits eligibility under “Grandfathered” criteria, only “Grandfathered” eligible classifications can be combined.*

II. Core Benefit Plans – Health, Basic Dental and Vision

Core Benefit Plans are defined as health insurance, basic dental, and vision plans and are available to all eligible employees based upon the following eligibility criteria:

- Appointment to a time base of at least half-time (0.5 FTE) for at least six months and one day (regular eligibility).

- Appointment for at least six (6) WTUs (i.e., 0.4 time base/FTE) for at least one semester or two consecutive quarters (AB 211 classifications only).

- Appointment for at least six (6) WTUs (0.4 time base/FTE) but less than seven and one-half WTUs (0.49 time base/FTE) for at least six months and one day (“Grandfathered” classifications only).
• Sum FTE across employee groups to reach a 0.5 FTE (half-time) appointment in order to meet regular eligibility criteria (cannot sum across employee groups to meet AB 211 criteria or “Grandfathered” criteria).

• If an employee is appointed for less than half-time (or 0.4 FTE for AB 211 or “Grandfathered” appointments) and length of appointment meets eligibility criteria, and time base is subsequently increased to half-time (or 0.4 FTE for AB 211 or 0.4 but <= 0.49 FTE for “Grandfathered” appointments), the employee is enrolled in Core Benefit Plans on a prospective basis.

• Basic Dental is considered the core benefit. To be eligible for an enhanced dental plan, an employee must be appointed with a time base of at least half-time (0.4 FTE for AB 211 or 0.4 but <= 0.49 FTE for “Grandfathered” appointments) in a CBID offering an enhanced dental plan. FTE may be summed to 0.5 in multiple CBIDs offering same level of enhanced plan through regular eligibility. If FTE does not meet 0.5 in the same level of enhanced plan, the employee is to be enrolled in the lower level benefit.

• AB 211 appointments may not be summed across CBIDs (e.g., R03 and non R03 classifications) or non AB 211 lecturer and coach classifications.

• “Grandfathered” appointments may not be summed across CBIDs (e.g., R03 and non R03 classifications) or non “Grandfathered” lecturer and coach classifications.

• Once an employee becomes benefits eligible, benefits continue in subsequent consecutive appointments as long as FTE is half-time or more to meet regular eligibility (0.4 FTE or more to meet AB 211 eligibility; 0.4 but <= 0.49 FTE to meet “Grandfathered” eligibility) regardless of length of appointment.

III. Supplemental Benefit Plan – CSU-Paid Life and Accidental Death & Dismemberment (AD&D) Insurance - M98, M80, C99, E99 (Teaching Associates (TA)) (Life only), CSEA, R03, R04, and R08

CSU-paid Life and AD&D Insurance is a supplemental benefit plan for specific employee groups. The amount of insurance coverage is defined by CBID and separate deduction codes are provided for each employee group. Eligibility criteria follows:

• An eligible employee is enrolled in an eligible CBID Life and AD&D Insurance plan if appointed at least half-time for at least six months and one day (at least 0.4 FTE for at least one semester or two consecutive quarters for AB 211 appointments; at least 0.4 but <= 0.49 FTE for at least six months and one day for “Grandfathered” appointments).

• In order to be eligible, the employee must be appointed with a time base of at least half-time (0.4 FTE for AB 211 appointment; 0.4 but <= 0.49 FTE for “Grandfathered” appointment) in the CBID eligible plan.

• An employee appointed in two half-time positions for at least six months and one day in two different CBIDs eligible for Life and AD&D Insurance should be enrolled in the higher level plan.

• No summing of FTE across CBIDs* (or between regular faculty appointments and AB 211 appointments to satisfy AB 211 eligibility, between regular faculty appointments and “Grandfathered” appointments to meet “Grandfathered” eligibility, or between AB 211 and “Grandfathered” appointments to meet either eligibility) is permitted in this
supplemental benefit plan (e.g., 0.3 FTE in MPP position and 0.2 FTE in R04 position = 0.5 FTE but ineligible for a Life and AD&D Insurance plans).

- Temporary reassignments, promotions, reclassifications, demotions, or any type of movement into a CBID with a Life and AD&D Insurance plan must be for at least half-time (0.4 FTE for AB 211 appointments; 0.4 but <= 0.49 FTE for “Grandfathered” appointments) and six months and one day (one semester or two consecutive quarters for AB 211 appointments); otherwise, enrollment is not permitted.

- If an employee in a CBID with Life and AD&D Insurance plan and who is enrolled in the plan is temporarily reassigned, demoted, promoted, reclassified, or moved through another type of transaction into another CBID with a Life Insurance plan and the length of the assignment is less than six months and one day (one semester or two consecutive quarters for AB 211 appointments), the employee is not enrolled in the new Life Insurance and AD&D plan and loses coverage under the previous position effective with the date of the transaction. Eligibility for Life and AD&D Insurance is tied to a qualifying appointment in the qualifying CBID for that coverage.

- If an employee is appointed for less than half-time in a CBID with a Life and AD&D Insurance plan and meets length of appointment eligibility criteria and the time base is subsequently increased to half-time (0.4 FTE for AB 211 appointments; 0.4 but <= 0.49 FTE for “Grandfathered” appointments), the employee is enrolled in the Life Insurance plan on a prospective basis.

- Once an employee becomes benefits eligible, benefits continue in subsequent consecutive appointments as long as FTE is half-time or more to meet regular eligibility (0.4 FTE or more to meet AB 211 eligibility; 0.4 but <= 0.49 FTE for “Grandfathered” eligibility) regardless of length of appointment.

*For purposes of benefits eligibility, CSEA Units R02, R05, R07, and R09 are combined as one eligible group.

IV. Supplemental Benefit Plan - Long Term Disability (LTD) Insurance – M98, M80, R01, R03, and R04

Long Term Disability Insurance is a supplemental benefit plan and is available for specific employee groups. The amount of insurance coverage is defined by the CBID, and separate deduction codes are provided for each employee group. Eligibility criteria follows:

- An employee is enrolled in an eligible CBID LTD plan if appointed with a time base of at least half-time for at least six months and one day (at least 0.4 FTE for at least one semester or two consecutive quarters for AB 211 appointments; >= 0.4 but <= 0.49 FTE for at least six months and one day for “Grandfathered” appointments).

- In order to be eligible, the employee must be appointed with a time base of at least half-time (0.4 FTE for AB 211 appointment; 0.4 but <= 0.49 FTE for “Grandfathered” appointment) in the CBID eligible plan.

- An employee appointed in two half-time positions in two different CBIDs is eligible for LTD insurance and should be enrolled in the broader CBID benefit plan (i.e., eligible for Life Insurance plan).

- No summing of FTE across CBIDs (or between regular faculty appointments and AB 211 appointments to satisfy AB 211 eligibility, between regular faculty appointments and
“Grandfathered” appointments to meet “Grandfathered” eligibility, or between AB 211 and “Grandfathered” appointments to meet either eligibility) is permitted for this supplemental benefit plan (e.g., 0.3 FTE in MPP position and 0.2 FTE in R04 position = 0.5 FTE but ineligible for an LTD plan).

- Temporary reassignments, promotions, reclassifications, demotions, or any type of movement into a CBID with an LTD plan must be for at least half-time (0.4 FTE for AB 211 appointments; 0.4 but <= 0.49 FTE for “Grandfathered” appointments) and for at least six months and one day (one semester or two consecutive quarters for AB 211 appointments); otherwise, enrollment is not permitted.

- If an employee in a CBID with an LTD plan is temporarily reassigned, demoted, promoted, reclassified, or moved through another type of transaction into another CBID with an LTD plan and the length of the assignment is less than six months and one day (one semester or two consecutive quarters for AB 211 appointment), the employee is not enrolled in the new CBID LTD plan and loses coverage under the previous position effective with the date of the transaction.

- If an employee is appointed for less than half-time (0.4 FTE for AB 211 and “Grandfathered” appointments) and meets the length of appointment eligibility criteria and the time base is subsequently increased to half-time (0.4 FTE for AB 211 appointment; 0.4 but <= 0.49 FTE for “Grandfathered” appointments), the employee is enrolled in the LTD plan on a prospective basis.

- Once an employee becomes benefits eligible, benefits continue in subsequent consecutive appointments as long as FTE is half-time or more to meet regular eligibility (0.4 FTE or more to meet AB 211 eligibility; 0.4 but <= 0.49 FTE for “Grandfathered” eligibility) regardless of length of appointment.

V. Benefits Effective Date

Eligible employees have sixty days from date of employment to select appropriate health and dental plans. The deductions for these two plans are considered prospective or “prepaid” in that the effective date of coverage is the first of the month after the deduction is taken and shows on the employee’s paycheck. CSU makes contributions towards employee health premiums; CSU currently pays the full premium for employee dental plans.

For employees in CBIDs with Life and AD&D Insurance, Vision, and LTD plans, the CSU currently pays full premiums for these plans. **Campuses are to enroll eligible employees in the pay period the appointment or eligibility occurs. Although deductions are taken in the same pay period, the effective date of coverage for these three plans differs as noted below:**

- Vision – effective date of coverage is first of the month after deduction is taken (prospective).
- Basic Life and AD&D – coverage is effective the first of the month after the deduction is taken (prospective).
- LTD – coverage is effective the first day actively at work under provisions of the LTD contract; deduction must be effective consistent with the employee’s first pay period (retroactive or “look back”).
VI. Monitoring Time Base (FTE)
Employees must maintain a time base of half time or more (0.4 FTE or more for AB 211 appointments; 0.4 but <= 0.49 FTE for “Grandfathered” appointments) in qualifying positions in order to maintain benefits eligibility in their current enrolled plans. Once an employee is enrolled, the duration of subsequent appointments is immaterial as long as the appointments are consecutive with no break in service, FTE criteria are met, and there is no change in CBID. A change in an employee’s CBID requires the need to review the employee’s eligibility for supplemental benefit plans and possible change in the employee’s dental plan level.

VII. Retirees
CalPERS administers health and dental benefits for retirees. Once an employee retires, the state pays the employer contribution for health benefits for a retiree eligible for these benefits. Benefits-eligible retirees are enrolled in the basic dental plan and premiums are currently paid by the CSU. Please note the following:

- FERP retirees are eligible for enhanced dental benefits and vision coverage during their FERP employment if appointed half-time or more. Once the FERP entitlement is completed, the retiree must be enrolled in the basic dental plan and offered the vision COBRA benefit. Please refer to HR/Benefits 2004-08 for additional information.
- Upon retirement, CSU retirees may continue vision coverage through COBRA.
- If an employee decides to rescind his/her retirement, campuses need to ensure all government code references are removed from the employee’s current appointment record so that benefits eligibility can be reestablished.
- State Teachers’ Retirement System (STRS) retirees may have an active CSU position that is not retired. Employees in this situation are eligible for benefits and should be enrolled if eligibility criteria are met.

VIII. Consecutive Q1 Appointments for AB 211 Appointments
A single one-quarter appointment on its own does not qualify for benefits unless it follows a previously qualifying appointment (two quarters). If the intent of the campus is to appoint an employee for two consecutive quarters, the initial appointment needs to reflect this so benefits eligibility can be determined automatically and the employee’s employment record reflects that eligibility.

Please contact Human Resources Administration at (562) 951-4411 if you have questions prior to the teleconference. This Technical Letter is also available via Human Resources Administration’s Web page at: http://www.calstate.edu/HRAdm/memos.shtml.

- Employee Group
  - Eligible: All represented and unrepresented employees.
  - Eligible: All active positions.
  - Eligible: Employee on a Family Medical Leave who was benefits eligible previously (processed manually through the SCO via form 674).
  - Ineligible: rehired annuities (eligible for CSU-paid basic dental via retirement), FERPS (eligible for CSU-paid enhanced dental via retirement if appointment is 0.5 or more), hourly intermittents and employees in the classifications listed in Attachment F.

- FTE Requirements (Time Base)
  - Sum of FTE for all active positions in the CSU must be >= 0.5; or,
  - Employee is on a Pre-retirement Reduction in Time Base (PIMS field, Item 962 = 7552) and was benefits eligible previously (eligible faculty employees only).
• **Appointment duration - at least one position must qualify**
  - Permanent/probationary appointments (no appointment expiration date).
  - Employee on a Pre-retirement Reduction in Time Base who was benefits eligible previously.
  - Temporary appointments of at least 6 months and 1 day from appointment effective date to appointment expiration date.
  - Temporary appointment less than 6 months and 1 day continuous with no break in service between this appointment and previous benefits-eligible appointment.
  - A temporary promotion, reclassification, reassignment, demotion, or movement via another transaction in the same CBID for less than 6 months and 1 day is given to a permanent/probationary employee who is benefits eligible. If such transaction is to a CBID with a lower level dental benefit, a change to the lower level dental benefit must be made on a prospective basis.
  - Mid appointment increases to FTE and the original effective date of the appointment (not the effective date of the increase in FTE) and appointment expiration date is at least 6 months and 1 day (TL HR/Benefits 2003-06).

Multiple Position Examples

Regular Eligibility Rules

Example 1 – Core Benefits (medical, dental, and vision)
Employee is eligible for benefits at the time of the initial appointment because the sum of FTE is 0.5 and Position One has a duration of one (1) year. If the campus separates the employee from Position Two on 12/1/2003, benefits are cancelled because FTE will drop to .25.

<td>5/1/2002</td>
<td>A52</td>
<td>CSEA</td>
<td>.25</td>
<td>12/1/2003</td>
</tr>
</tbody>
</table>

Example 2 - All benefits
Employee is in two temporary positions each with a FTE of .25, which when summed together meets the FTE requirement. The employee then goes on leave in one position reducing the overall FTE to .25. The employee is no longer benefits eligible. In the case of an employee with one position going on leave, benefits eligibility is a moot point because no pay is generated. The deductions cease and the employee should be offered direct pay options. When the employee returns, continued eligibility should be re-evaluated.

Example 3 - Basic Life Insurance
Employee is not eligible because concurrent appointment in R06 is not eligible for Basic Life. Employee must have a 0.5 FTE appointment in a CBID Life Insurance plan to be eligible.

AB 211 Eligibility Rules

Example 1 – All Benefit Plans
Employee is eligible for all benefit plans at the time of the initial appointment because the sum of FTE is 0.4 and Position Two has a duration of two (2) quarters. If the campus separates the employee from Position One at the end of the quarter, benefits are cancelled because FTE will drop to 0.2. If the campus appoints the employee to another consecutive Q1 appointment and FTE remains at 0.4 or greater in all positions, then benefits should continue.
