Subject: New Classification and Qualification Standard: Police Officer Cadet
Revised Classification Standards: Police Officer, Corporal and Sergeant

Human Resources is pleased to distribute the new Police Officer Cadet classification along with an updated Police Series. This classification was incorporated into the State University Police Association (SUPA) bargaining unit and was available for campus use effective July 1, 1998. After agreement was reached between SUPA and CSU on the introduction of the new entry level classification last July, a draft standard was developed and campuses were given the opportunity to provide input on the new standard. The final standard and updated series reflect campus comments.

The addition of the Police Officer Cadet to the series required revisions to the introduction of the series and the entry qualifications for the Police Officer. Additionally, the Corporal and Sergeant classification and qualification standards were updated based on comments from campus staff as well as to ensure ongoing consistency with the Peace Officer Standards and Training (P.O.S.T.) guidelines.

The following classifications are included in the revised Police Series:

INTRODUCTION

This Police Series encompasses those positions whose primary function is to ensure the protection and public safety of California State University (CSU) students, faculty, staff, property, and members of the general public who visit a CSU campus. Incumbents assigned to this series must successfully complete a certified Peace Officer Standards and Training (P.O.S.T.) program and become sworn police officers, licensed to carry firearms.

Positions are allocated to levels within the series on the basis of the nature and variety of work, including the difficulty and complexity of assignments; the degree of supervisory control exercised over the position; the availability and scope of guidelines and authority controlling actions; the purpose, level, and nature of interpersonal working relationships; and the nature and extent of supervisory responsibility for the work of others.

Incumbents in this series have primary responsibility for patrolling the campus, maintaining order, controlling crowds, protecting individuals and property, conducting investigations, gathering evidence, making arrests, and writing reports. All positions in the series require at least a working knowledge of current federal and state laws; ability to identify and evaluate sensitive and/or dangerous situations and take appropriate action quickly and calmly; ability to make clear, concise written and oral reports of observations and actions taken; ability to establish and maintain effective working relationships with campus personnel, students, community agencies, and the public; and ability to meet the physical and mental demands of the job.

In addition, incumbents may be delegated responsibility for additional assignments to meet the unique public safety needs of the campus. Examples include: range master, canine handler, field training, defensive tactics instruction, motorcycle patrol, bicycle patrol, special evidence technician, crime prevention specialist, community relations programs, and a member of a critical response or special reaction team (e.g., sexual assault or emergency medical).

SERIES ENTRANCE REQUIREMENTS

Special requirements for entrance to the Police Series are as follows:

- Pass a medical examination, physical agility test, psychological examination, and a background check requiring fingerprinting.
- Possess a valid California driver’s license.
- Pass a drug test.
- Pass a written and/or oral examination, as required by the campus.
- Ability to qualify for and attend basic P.O.S.T certified training.
- Ability to meet P.O.S.T. minimum hiring standards applicable for the position.

DEFINITION OF CLASSIFICATION LEVELS

Police Officer Cadet
This first level in the series is reserved for nonsworn individuals who have not completed a P.O.S.T. academy or received a Basic Course Certificate. The primary responsibility of the Cadet is to attend the prescribed training. Upon successful completion of the training in the required timeframe and based on a review by management, the Cadet is appointed to the Police Officer classification in a probationary capacity.

Police Officer
This second level is reserved for entry level sworn officers who have graduated from a certified P.O.S.T. academy and obtained the Basic Course Certificate. Duties at this level require a working knowledge of law enforcement methods and procedures, criminal codes and laws, and investigating techniques and procedures. The police officer performs general patrol and operational police duties, and may assist in investigations or as a member on special teams or task forces. Incumbents may receive specialized on-the-job training to perform these specialized functions.

Corporal
This is the third level in the Police Series, requiring a thorough knowledge and understanding of law enforcement methods and procedures, criminal codes and laws, and investigative techniques and procedures. The corporal independently performs general law enforcement and patrol duties and a variety of specialized work assignments. Positions assigned to this classification require graduation from a P.O.S.T. academy, a Basic Course Certificate, and two or more years of active law enforcement experience.

The Corporal rank is distinguished from the Police Officer by the regular, ongoing assignment of one or more of the following:

- Assignment as a team leader, assistant watch commander, or patrol agent who is responsible for leading a shift and providing direction to officers in the field.

Sergeant
The sergeant is the highest level in the Police Series and is a first line supervisory classification, requiring a comprehensive knowledge and understanding of law enforcement methods and procedures, criminal codes and laws, and investigative techniques and procedures. Work assignments at this level include primary supervisory responsibility for a shift, program, unit, or task force, and general law enforcement and specialized work assignments performed by other positions in this series. All positions at this level require graduation from a P.O.S.T. academy, a Basic Course Certificate, and three or more years of active law enforcement experience.

Sergeant rank is distinguished from the Corporal by the full-time assignment of supervisory duties, including making work assignments, monitoring and reporting work activities, and providing on-the-job training and assistance to subordinates.
